In 2017, the National Office surveyed our active chapters to capture their advice and viewpoint on the society as it stands today. Below is a summary of results, which may help orient your chapter leadership and provide inspiration on ways to grow your chapter.

Who provides the primary administrative support for your chapter?

40.0% administrative staff
28.33% faculty
5.0% students
26.3% other (volunteers or combination of the above)

How often does your chapter have inductions?

76.67% only have spring inductions
3.3% only have fall inductions
8.3% have both fall and spring inductions
3.3% have inductions multiple times a year
8.3% answered other

Who pays for national induction dues?

80.00% chapter or parent school/program pays for dues
20.00% inductees pay for their own dues

Does your chapter have its own induction dues (in addition to national dues)?

6.78% of chapters have their own additional dues
81.36% of chapters do not have additional dues
12.5% depends on the inductee type or varies

How often does your chapter communicate with previously inducted members?

23.33% of chapters have communication more than once a year
30% have communication annually
25% have communication rarely/occasionally
8.33% never communicate with previously inducted members
13.33% answered other (e.g. at a specific event, only during the first year, still working out a protocol)
